

## **FOR IMMEDIATE RELEASE**

### **DeLuxe Innovations Has Moved!**

Midland Park, NJ October 18, 2011 -- The Midland Park Planning Board granted DeLuxe a Certificate of Occupancy last night at their regular monthly meeting. The damage by Hurricane Irene to the company's facility in Whippany, NJ resulted in the need to move to a new location. Effective today, the company is located at 140 Greenwood Ave. Suite 2A, Midland Park, NJ 07432-1462. The new phone number is (201) 857-5880 and the fax number is (201) 857-5881.

Dave Ferrari, President and CEO of the company, commented that "This location offers us a 3,000 square foot facility with both a more office and warehouse space at a reasonable rate. Being available for immediate occupancy was also an important consideration."

"It will take us about two weeks to get set up and our re-opening date is Monday, October 31, 2011". He added, "Until then, the office will be on limited hours as we get things ready. We look forward to operations getting back to normal and servicing our customers as quickly as possible."

About DeLuxe Innovations:

The company produces quality model railroad products in N scale with distribution through hobby shops and distributors world-wide.
